Re: Notice of Business Closing

Dear Members of the Dislocated Worker Unit:

This letter serves as notice that Modern Equipment Company, LLC will be permanently closing its facility located at 369 W. Western Ave, Port Washington, Wisconsin, 53074.

Modern Equipment Company currently employs 59 employees at this site. The closing of this facility is expected to affect all employees. It is anticipated 25 salaried and administrative employees will have employment opportunities with a separate but related business. That related business may be outside regular commuting distance, however, so Modern Equipment is providing all employees notice as it is currently unknown how many of those employees will be affected.

It is expected separations from employment will take place in stages, beginning on July 10, 2017 and continuing through September 29, 2017. Modern Equipment is still in the process of finalizing the planned closure, including the specific dates of separation.

The production and maintenance employees are represented by District 10, International Association of Machinists & Aerospace Workers, AFL-CIO, Local 66. The Union representative is Jeremy Terlisner, Business Representative, located at 1650 South 38th Street, Milwaukee, Wisconsin 53215. Bumping rights exist only for layoffs.

If you have any questions, please contact me at 262-284-6200.

Sincerely,

Susan Szuster
Human Resource Manager
